ANNOUNCING THE APOLLO-RIDGE EDUCATION FOUNDATION'S SPEAKERS SERIES!

The Apollo-Ridge Speakers Series is the brainchild of the History Detectives, a group of students formed in the 2010-2011 school year to research the 40 year history of the merger of the Apollo Area School District and the Elders Ridge School District.

One student in particular, Ashley Worst, became so immersed in the project that she wanted to continue the program this school year.

Due largely to Ashley's enthusiasm, the Speakers Series has evolved into a program designed to reach a broader audience and become a fundraising vehicle for the Apollo-Ridge Education Foundation.

2011-2012 Line Up

Apollo-Ridge is very excited about the speakers lined up for our first season. From newsworthy to folks with local ties, the 2011-2012 Speakers Series has something for everyone!

November 30—Tanya Kach: Ms. Kach's book, *Memoir of a Milk Carton Kid*, #14 on the New York Times Bestseller List, is a true story of her abduction and captivity by a school security guard for 10 years.

December 28—Scott Palmo: Mr. Palmo, a native of South Bend Township in Armstrong county, wrote *Twisted Fury*, a tale of the devastating tornadoes that ripped through several Alle-Kiski communities on June 3, 1980.

Just Added ... Dave Crawley: Dave Crawley is a multiple Emmy winning Feature Reporter for KDKA-TV (www.kdka.com/kdcountry) and author of three children's poetry books, the highly acclaimed "Cat Poems," "Dog Poems," and "Reading, Rhyming, & 'Rithmetic."

April 3—Dr. Cyril Wecht: Mr. Wecht, a renowned forensic pathologist, weighs in on several high-profile murder cases including Casey Anthony and Michael Jackson.

April 27—Colleen Rickenbacher, CMP, CSEP, CPC: Ms. Rickenbacher, a 1968 graduate of Apollo High School, travels the world "making first impressions last impressions." Author of several books on business etiquette, Colleen plans a 2012 release of her newest book tailored for children and young adults. This program is a dinner show in our dining hall.

You Are Invited

The Apollo-Ridge Education Foundation invites you to attend any or all of the programs in our inaugural season. We are sure that you will enjoy the programs that include:

- A presentation by the featured speaker
- Participation in a Q&A session, moderated by Ashley Worst
- Interaction with the authors during a book-signing
- Refreshments after the shows

Thank you

By accepting our invitation, you acknowledge the importance of keeping publication education alive in our communities. The Apollo-Ridge School District is an integral part of the community it serves, and events such as the Speakers Series provide entertainment for the community and funding for educational programming.

I look forward to seeing you at our Speakers Series and ask that you contact me if I can be of assistance to you!

Sincerely,

ABOUT THE SPEAKERS SERIES

The Apollo-Ridge Speakers Series is the brainchild of the History Detectives, a group of students formed in the 2010-2011 school year to research the 40 year history of the merger of the Apollo Area School District and the Elders Ridge School District.

One student in particular, Ashley Worst, became so immersed in the project that she wanted to continue the program into the next school year.

Due largely to Ashley's enthusiasm, the Speakers Series has evolved into a program designed to reach a broader audience and be a fundraising vehicle for the Apollo-Ridge Education Foundation.

ABOUT THE EDUCATION FOUNDATION

Since its inception in 1996, the Foundation has awarded \$500 grants to teachers of the Apollo-Ridge School District who have created innovative instructional activities and projects for the purpose of enhancing student learning and achievement. This "innovative project" program enables the district to provide educational services above and beyond the existing program levels supported by state and local tax revenues.

This year the Education Foundation's goal is to support the development of a multi-media center, housed in the Apollo-Ridge Middle School, to support student learning during the day and adult education programs in the evening.
