
**In order to successfully complete the ARIN Driver Education course,
ALL STUDENTS MUST:**

- ⇒ **Complete 30 hours of Classroom Instruction by attending ALL of the 15 scheduled 2-hour theory classes held at Marion Center High School after regular school hours.**

IMPORTANT NOTES: ** Any missed classes will need to be made up at a future scheduled session.
** Students **WILL NOT** be added to the behind-the-wheel driving wait list until all classroom hours have been completed.
** If **more than 3** classes are missed, the course **MUST BE REPEATED** in its entirety.

- ⇒ **Achieve a score of at least 80% in the theory portion of the program.**
****THE \$50 INCLUDES THE CLASS AND THE BEHIND-THE-WHEEL DRIVING****

- ⇒ **Complete 6 scheduled 2-hour sessions of Behind-The-Wheel instruction, each of which will include 1 hour of actual drive time and 1 hour observance time.**

After being added to the behind-the-wheel driving list, there will likely be a wait time due to the number of students on the wait list at that time. Once you are contacted and the student's driving schedule is established, it is important to keep the scheduled appointments as it may be a couple of months before we are able to reschedule the sessions due to the instructor's classroom and driving schedule with other students.

In the event of bad weather later in the day, but no early dismissal from school, the instructor will make the decision whether or not to cancel any driving session scheduled for that particular day.

The class is held after school from 3 pm to 5 pm.
