

Marion Center Area School School-Parent Compact

Our K4-6 elementary Schools, Rayne and W.A. McCreery, along with the parents of students participating in activities, services and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA), agree that this compact outlines how parents, the entire school staff, and the students will share the responsibility for improved student academic achievement along with the means by which the school and parents will develop a partnership to help children achieve the State's high standards.

This School-Parent Compact is in effect during school year 2010-2011.

District Responsibilities:

Rayne and W. A. McCreery Elementary Schools will:

- ✓ Involve parents in the planning, review and improvement of the school's parental involvement policy, in an organized, ongoing and timely manner.
- ✓ Hold an annual meeting to inform parents of the school's participation in Title I, Part A programs, the subsequent requirements and the right of parents to be involved in these Title I, Part A programs. The school will convene the meeting at a time convenient for parents, and will offer a flexible number of additional parental involvement meetings, both morning and evening, so that as many parents as possible are able to attend. All parents of children participating in the Title I, Part A programs, are encouraged to attend.
- ✓ Provide information to parents of participating students in an understandable and uniform format, including alternative formats upon the request of parents with disabilities, and to the extent practicable, in a language that parents can understand.
- ✓ At the request of parents, provide opportunities for parents to formulate suggestions and to participate as appropriate, in decisions about the education of their children.
- ✓ Provide to each parent an individual student report about the performance of their child on the State assessment in at least math, language arts and reading.
- ✓ Provide each parent timely notice when their child has been assigned or has been taught for four(4) or more consecutive weeks by a teacher who is not highly qualified within the meaning of the term in section 200.56 of the Title I Final Regulations (67 Fed. Reg 71710, December 2, 2002)
